Remarks

Location, location, location!!!! Located right off of Interstate 75, River Road, and another entrance off of Venice Avenue, this home is close to everything. This gorgeous, meticulously updated 3-bedroom, 2-bathroom pool home, plus a spa, is located in the highly sought-after Caribbean Village. The pool overlooks a picturesque water view and feels like your very own private oasis. There're no homes behind you either. It's a wooded preserve, that makes it feel even more private. This home sits in a maintenance-free community with very low HOAs, a non-flood zone, and No CDD! So, no flood insurance required if financing. This gated community includes a heated pool, fitness center, and a cute picnic area. This would make Caribbean Village, one of the most private, and desirable locations in this area. This home has three very large bedrooms with an open concept from the kitchen that leads seamlessly to the dining area, and the living room. The high ceilings make this home feel so open, large, and airy. Newly added high-end, stainless-steel appliances in the kitchen, with a spacious walk-in pantry, cabinet space, and a large island, makes the perfect space for entertaining guests. The new luxury vinyl flooring opens up the home even more. No carpet. Right off the kitchen, paradise awaits
